

How To Hand Stitch: Tacking

Equipment Needed

- * Needle
- * Needle Threader (optional)
- * Thread
- * Pins
- * Sharp Scissors

Tacking

A temporary stitch done with a single thread and a needle.

Step One

Thread a needle and tie a knot in one end of the thread.

Step Two

Begin with a backstitch and sew in a straight line using evenly spaced stitches about 2cm apart.

Step Three

When you reach the other end back-stitch twice to make sure the tacking doesn't come apart.
