Equipment Needed

- * T-Shirt to customise
- * Korbond Tailors Chalk
- * Korbond 10" Dressmaking Shears
- * Korbond 9" Pinking Shears

"This tee shirt was too tight around the neck line so I decided to customise it with a clever use of pinking shears."

Step One

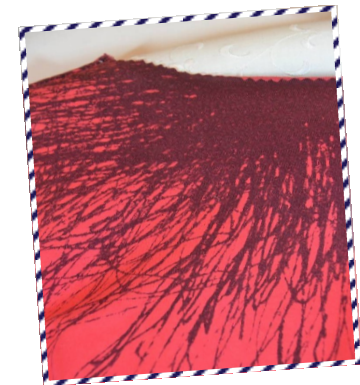

Mark with Tailors Chalk where you want the new neck line to be.

Step Two

Cautiously, within 1cm of the line you have drawn, first cut away the surplus fabric by using Dressmaking Shears.

Step Three

Then go over this with Pinking Shears leaving a very pretty, no need to sew neck line.

Doing this project bit by bit prevents you cutting away too much fabric at once.
